CLASSES

CREATIVE CRITTERS (3 + 4 yrs) Calling all teeny singers, dancers and actors. Through the magic of the performing arts, your child will develop confidence, self esteem and have a great time creating with other little critters. This is great for children to learn some basic performing arts skills, routine and organised activity through play.

CREATIVE THEATRE PRODUCTION (7-18yrs) Over the course of 5 weeks, performers will write, direct and produce a short theatre production which will then be performed in front of a live audience of family, friends and teachers. Great for performers who have already completed some performing arts training.

CREATIVE CONTEMPORARY DANCE (7-18yrs) An experienced dancer will choreograph a contemporary routine, allowing each dancer to create their own choreography to 8 beats of music. Fantastic for dancers looking to transition t from dancer to dancer/choreographer.

CREATIVE MODERN DANCE FOR ADULTS (18yrs+) This is the only class we offer to adults. Not everyone works 9-5 right? 2SB couldn't find a dance class for adults during the day. As you can see, we are busy at nights, and we want to get our dance on too. So Mums, shift workers, self-employed and anyone free during the day worry no more! We have the perfect contemporary dance class for you (oh and don't worry, it is for beginners).

CREATIVE MONOLOGUES FOR CAMERA (10+) You are the star! Write and Perform your very own monologue to camera. Great for actors starting a showreel.

ADVANCED ACTING FOR CAMERA (audition only) Write and Act in your very own two or three handed short scripted scene with the best actors in Brisbane.

CREATIVE INTRODUCTION TO PERFORMING ARTS (5+6yrs) Sing, Dance and Act your way through a short theatre production for all the family to see!

PRIVATE LESSONS (all ages) Do you have an audition for a school play, film or television commercial coming up? Need some assistance? Try a private lesson with Amanda Hardwick. Even if you are new to the performing arts and not sure you want to jump into a group situation straight away, try a one off lesson with Amanda to find out what course suits you best.
